# Henry Golden Boy Law Enforc

**HENRY GOLDEN BOY .22 S/L/LR**  
Model No. H004LE

This rifle is an inspiring tribute to the nation's men and women who have selflessly put their lives on the line and is sure to be cherished by anyone who has served in law enforcement. Perfect as a presentation gift for retiring law enforcement or to celebrate any special law enforcement occasion.

Henry's distinctive Golden Boy receiver is elegantly festooned with graceful 24-kt. gold plated engravings that pay a fitting tribute to those who have sworn an oath to serve and protect. Patterned by world renowned engraver Heidi Roos, the bold American style scrollwork makes this commemorative heirloom quality rifle a true functional work of art that any active duty or retired law enforcement officer will proudly display, shoot and pass along to the next generation.

The right side of the nickel-plated receiver is adorned with an ornate sculpted roll, a law enforcement badge and a gold banner inscribed with: In Tribute To Those In The Line Of Duty. Detailed engravings of the iconic police officer's hat and a set of handcuffs highlight the front panel.

The left side showcases an elegant engraving of Michael the Archangel – the patron of police – with a sword in one hand and the scales of justice in the other and a banner with the motto: To Protect And Serve. The American Flag is prominently displayed in a place of honor on the front panel.

The hand-selected American walnut stock is laser etched with the image of the American bald eagle set in a hand-painted royal blue circle with the words: GOD BLESS AMERICA'S FINEST.

The Law Enforcement Tribute Edition is outfitted with a 20" octagonal barrel topped with classic buckhorn sights just like all rifles in the award-winning Golden Boy family. Caliber .22 S/L/LR. This special edition also features a custom serial number range starting with LET00001.
